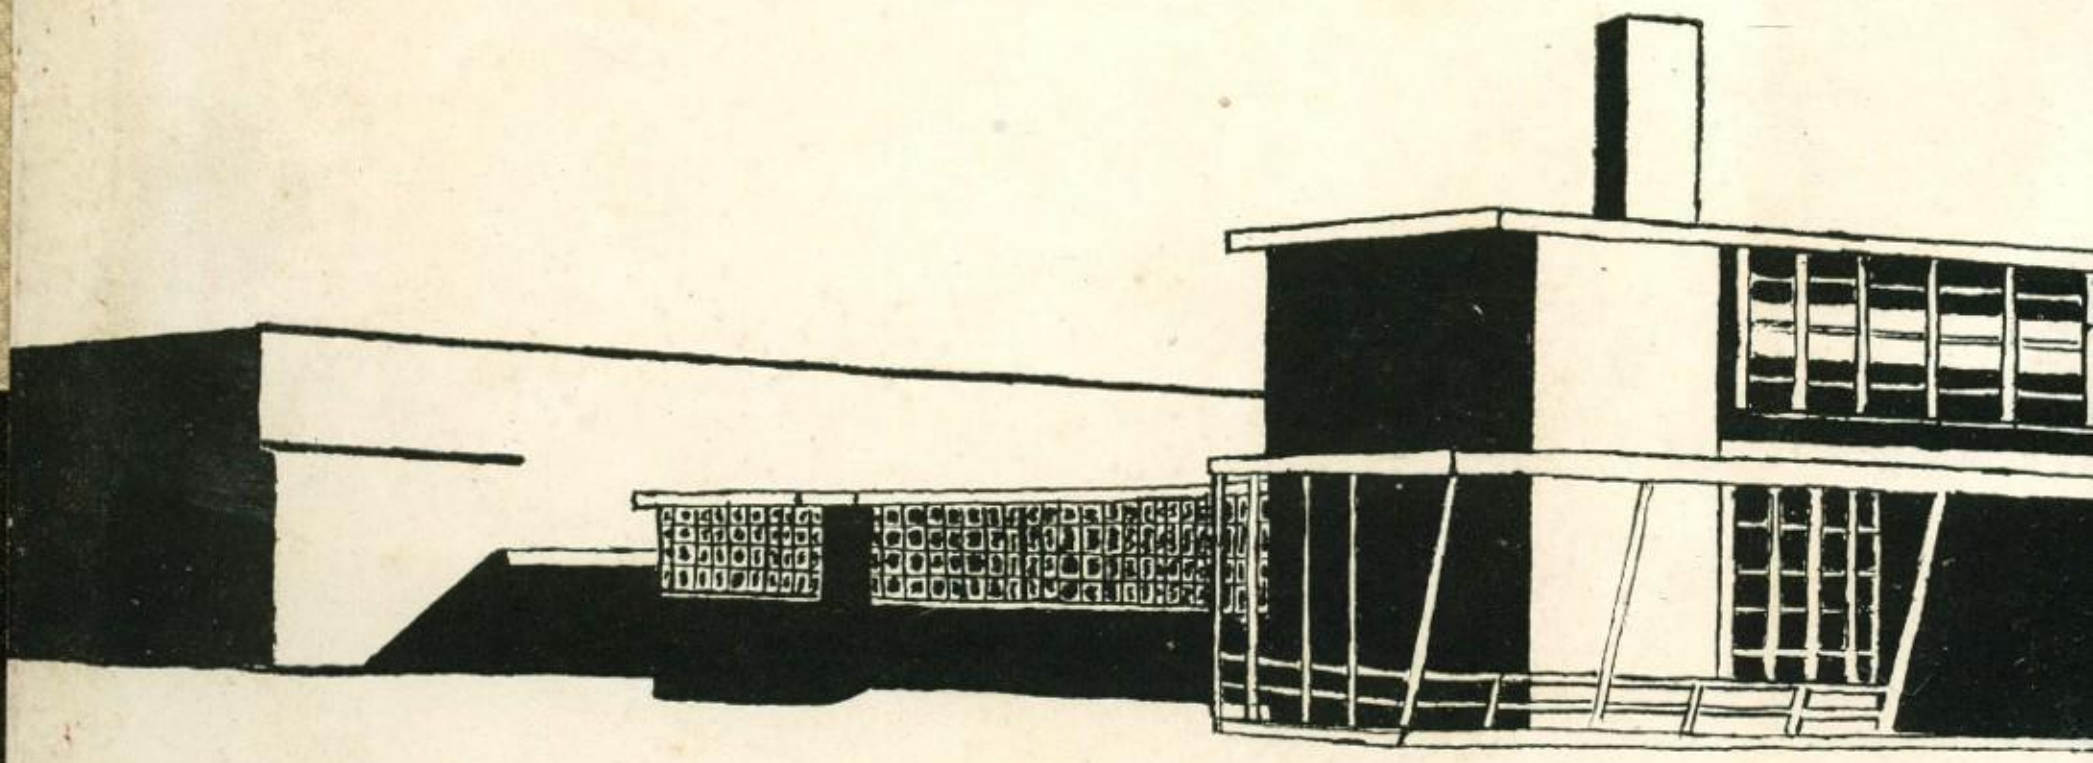
Adelle Nassar



Nassau,

Best of everything to a most congenial person. I shall really miss you next year — maybe you can come up to the mountains and visit sometime.

You've been a great help and a wonderful friend. Maybe my first year at Tri-City more than any.

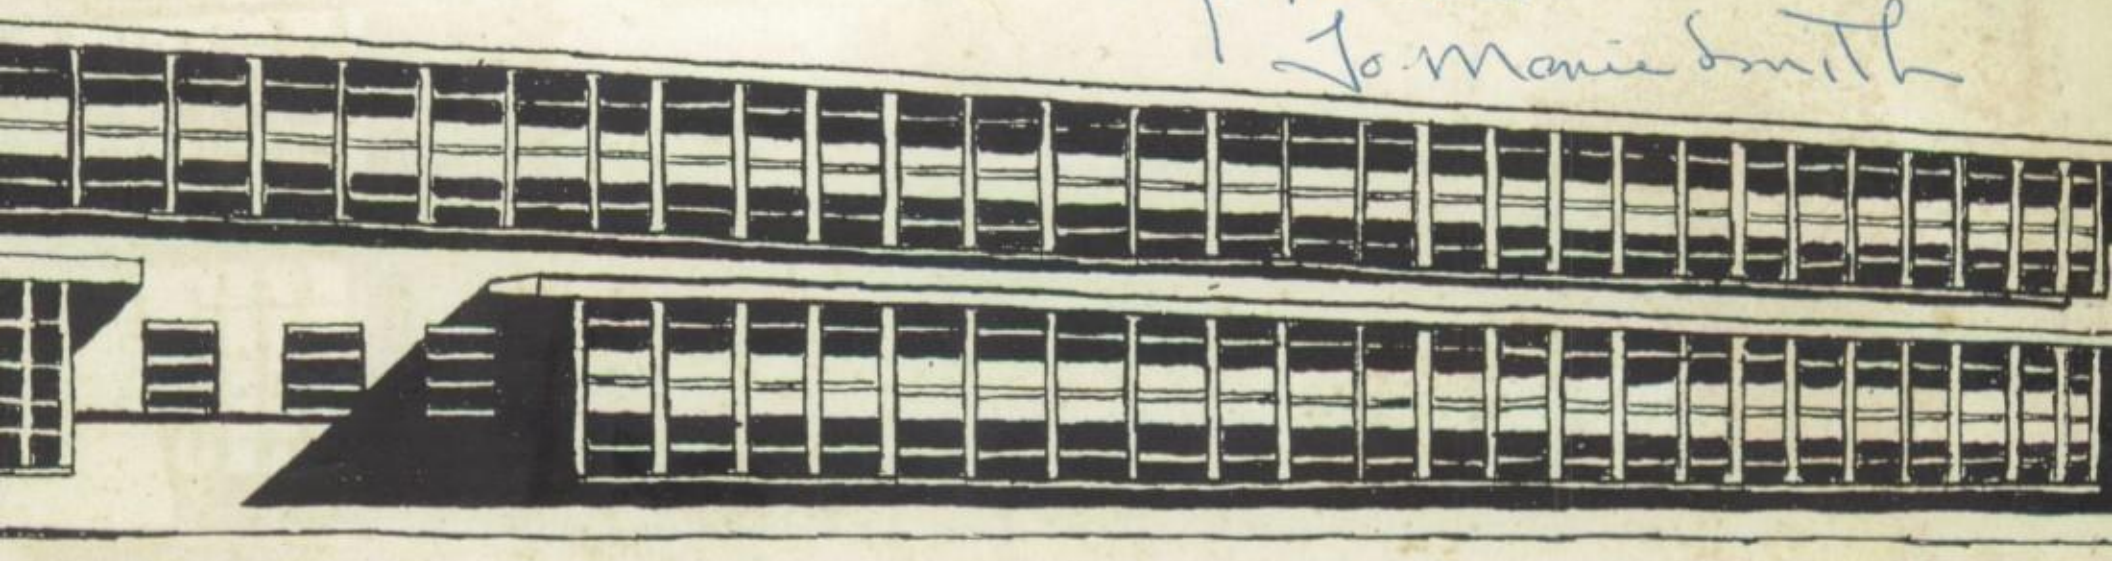
I'll never forget the time we went horseback riding - next time we'll have to take it much slower. You must come and visit my new home when I'm not in bed - sick heh!

Please be sweet and take care of my friends next year as you took care of me.

I guess going to football and basketball games with you and the cheerleaders will be the one thing I'll miss next fall.

Yo te amo.

Jo Marie Smith



Nassar,

Well I really don't know what I'll do with out you next year. Who am I gonna have to tell me to keep my head? You've really been perfect and you have made high school wonderful for me. Hope Thursday won't mean the end. I'll come back to see you every once in a while though.

Nassar you've really been a great friend and you probably understand me better than most anybody. Be good & I'll never forget you.

Jean

Nassar,

You're one of the best friends a high school student could have. You have everything. Please stay at Tri-City - They need you to keep em straight - We'll all miss you -

Judy

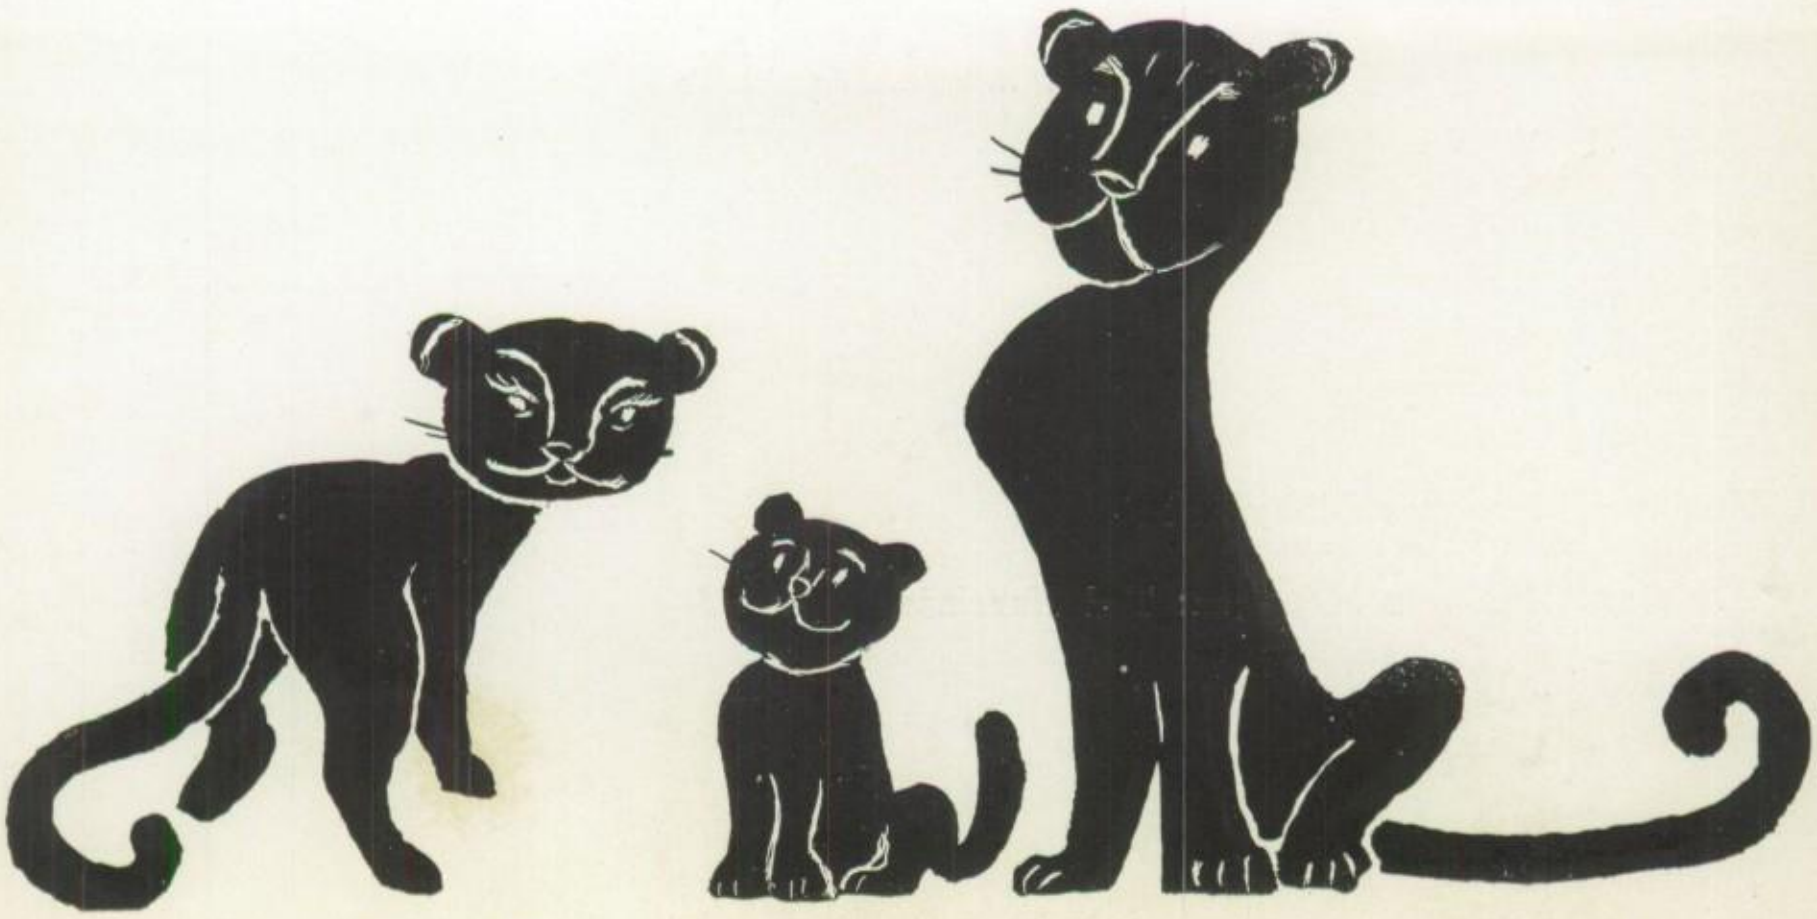
FOREWORD

Last year the Tricinoca
Honored a number of citizens
For their outstanding contributions to the furtherance
Of education in this area.

This year's book
Is fondly inscribed
To our parents and to our families (The true
National Backbone).

They have so gently prodded,
So generously sacrificed,
So lovingly tolerated our adolescent foibles,
That our high school careers have been
Wonderfully happy interludes.

We are grateful,
And we here present some scenes of our schooldays.
We hope they reflect the true spirit
With which we have sojourned here, and that
They portend as happy a future as they make
Of the past.



OUR DAY

We come to school,

We crowd the halls,

We file into assembly,

We sing a song,

We mix a brew,

And see through

glasses dimly.

OUR DAY

We hunt and peck,

We cook and sew,

We eat a little lunch;

We wait around

'Til three-fifteen,

And go home in

a bunch.

Dear "

I want you to know that I would not trade you for Ben Hoyan as a golf coach. He is probably prettier but you can play golf? Now seriously I am glad I had you for a coach this year. I will see you around this summer or at the start of school next year. You're O.K Mr. Nassar I have really enjoyed these past two years.

Nassar:

thanks a million for the great help you have given to me. Nassar - if it hadn't been for you - I'd still be in that same old rut that I was in at the beginning of school. I'm just about half over out now because you have gotten me out. You have helped me more ~~than~~ than I could ever be helped by any way or Anyone. Thanks a lot.

I'll sure miss you this summer and by the way - who's gonna advise me? Wasn't it you going to the ball game - you helped make every game a big success by your presence.

I'm sure I'll never know anyone quite like you and I'm sure I never will. I don't think anyone could meet your standards because you're tops in every thing.

You're the largest security in Trinity High and I'm without you - I'm sure I wouldn't be what I is now - so always remember that and come back next year. We sure need you - that is the school and I need your advise - I know I can't always come to you but I'm sure if I did - I'd never go wrong.

I guess I was pretty stubborn and silly about some things but maybe next year I'll be back to start over. I'll never forget what you told me - I'll try to be beautiful just give it a chance - I'm gonna try - gonna try - I'm gonna try with all the strength I possess.

Thanks for me this summer and please write to me. You're just like a daddy to me. Be good!

Love ya - Dad

Hassar,

Well, the time has come for all good things to come to an end. I've really enjoyed being in your classes these past three years. I want to thank you for getting me that job — I just love to work! Be good this summer and don't forget this Senior class. We're going to miss you.

Love,

Hassar,

Man this year has really been fun hasn't it? all those good ol' games I'm really looking forward to next year & hope it is as successful as this year was.

It certainly is nice to have friends like you that you can really feel like to talk with. It really does make life worth living for.

Please have a nice Vacation and I'll be thinking of you.

Best Wishes.

Love,

Linda

Nasser,

I really didn't know 2 years could hold so much fun. You sure have been very understanding with Joan and I, and others too.

Maybe next year we can come to some of the parties you all give if we can swing it. We never did go skating. Lots of luck and all the usual stuff.

K. McCray

Nassau, I'll never be able to thank you for the way you treated us at the beach last summer. That was certainly nice of you.

Sorry about the little incident that happen this year, that was really a messed up affair. Thanks for all the good advice. Maybe someday I'll be able to see things a little clearer myself. See you,

Roy S.

Coach

It has been great going to school under you. These have been the happiest years of my life. I have really enjoyed being on the golf team. Maybe the team next year won't let you down. I hope you stay at Tri-City forever.

Best wishes

Ralph Walker

Nassar,

There are so many things I would like to tell you but I hardly know how to say them. You already know you are tops in my book. Thanks a million for everything. and I do mean everything. Honest you have been a real friend, besides being such a wonderful teacher. I do envy the lucky stude that will be in your classes next year. To sum up a lot of "say" I think you're just plain "Great." Thanks for all the help with Kenneth. Think about me next year while I'm over at W. C. suffering.

As Ever

Joan

Hassar,

This year has been Wonderful hasn't it?! If it hadn't been for you sometime - I think I would have been left out in the cold. Thanks for tipping me off the many times. May Success and happiness be with you always. So

FINIS

a wonderful guy. Lera Meeks

Dr. Hassar,

It has really been fun knowing you better this year. Wish you could have had us all year. You cheerleaders really helped me.

Thanks for everything and keep my fellow ends up down at the beach this summer. Please take good care of him.

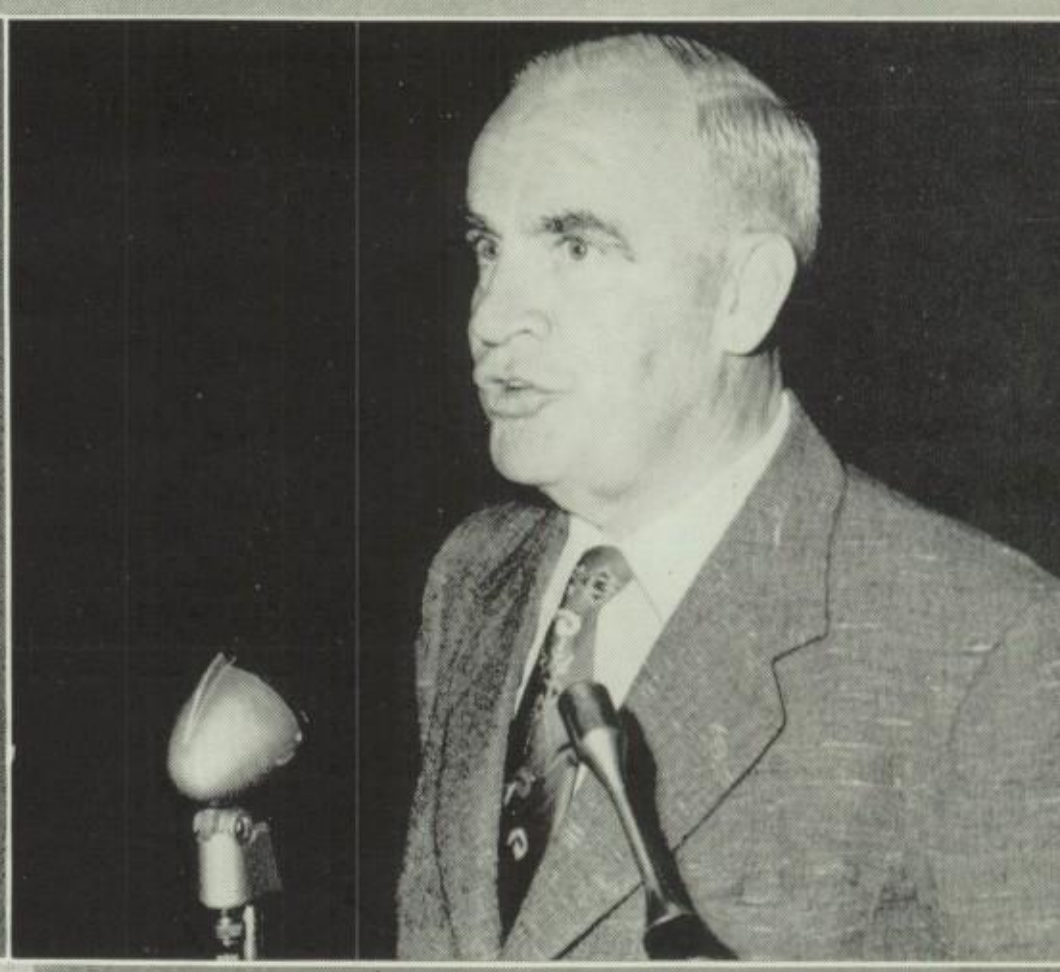
"LADIES AND GENTLEMEN"

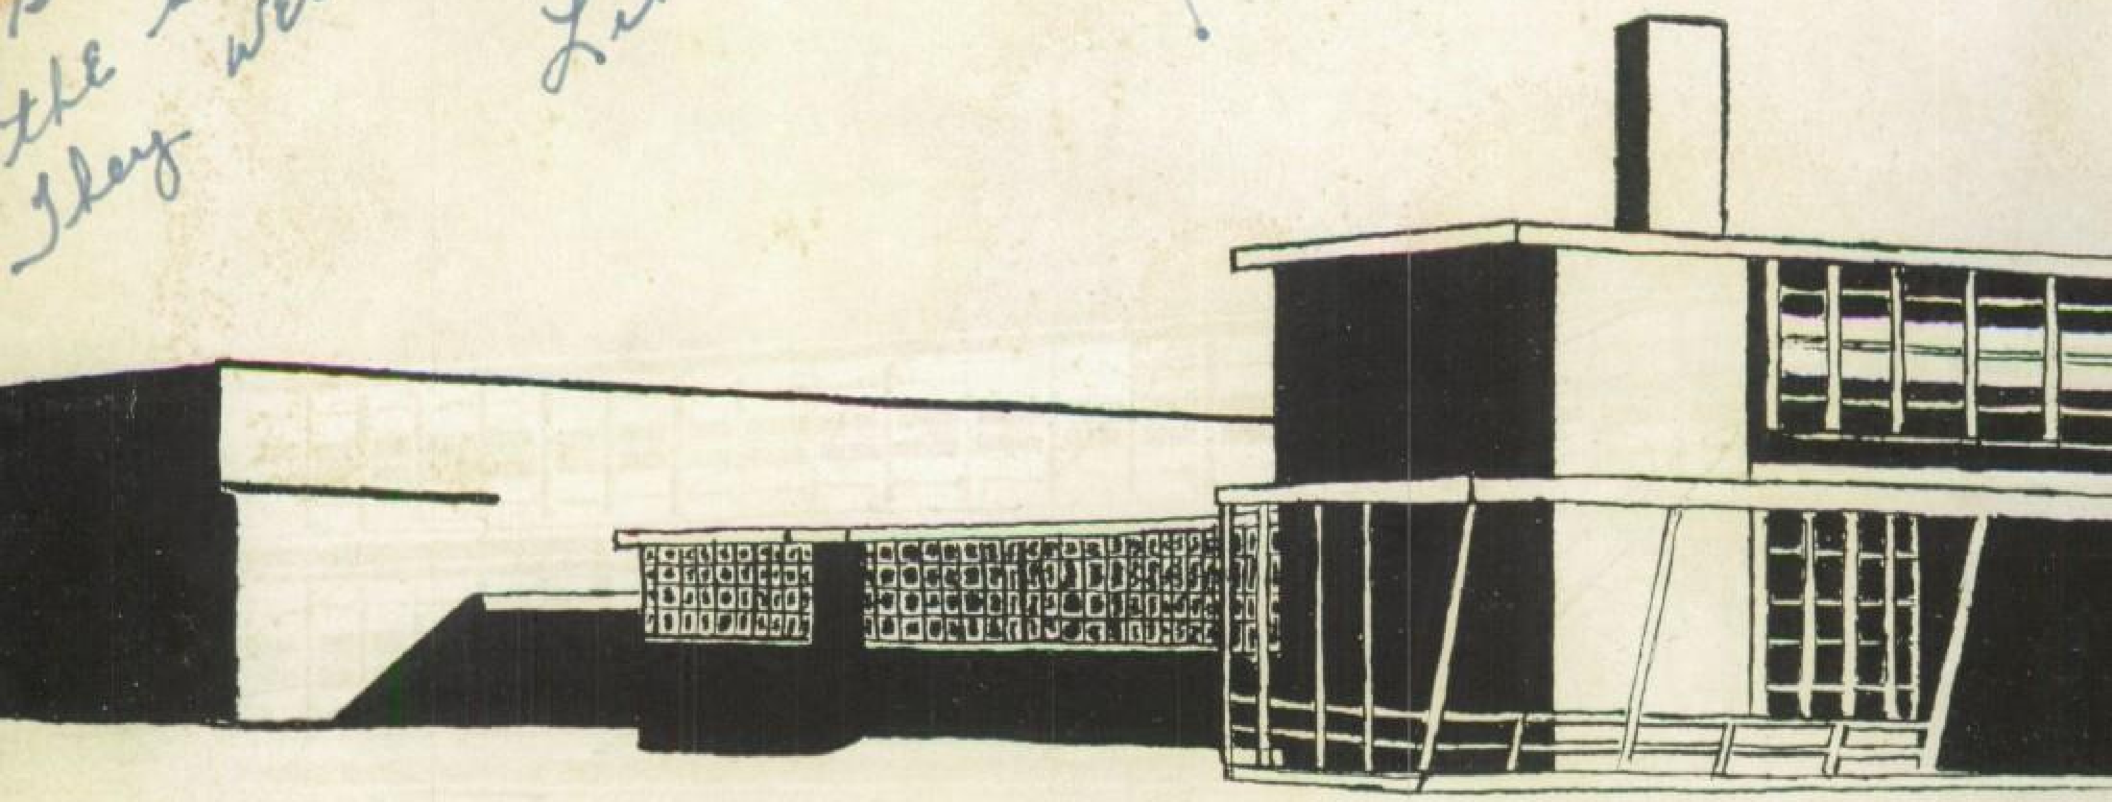


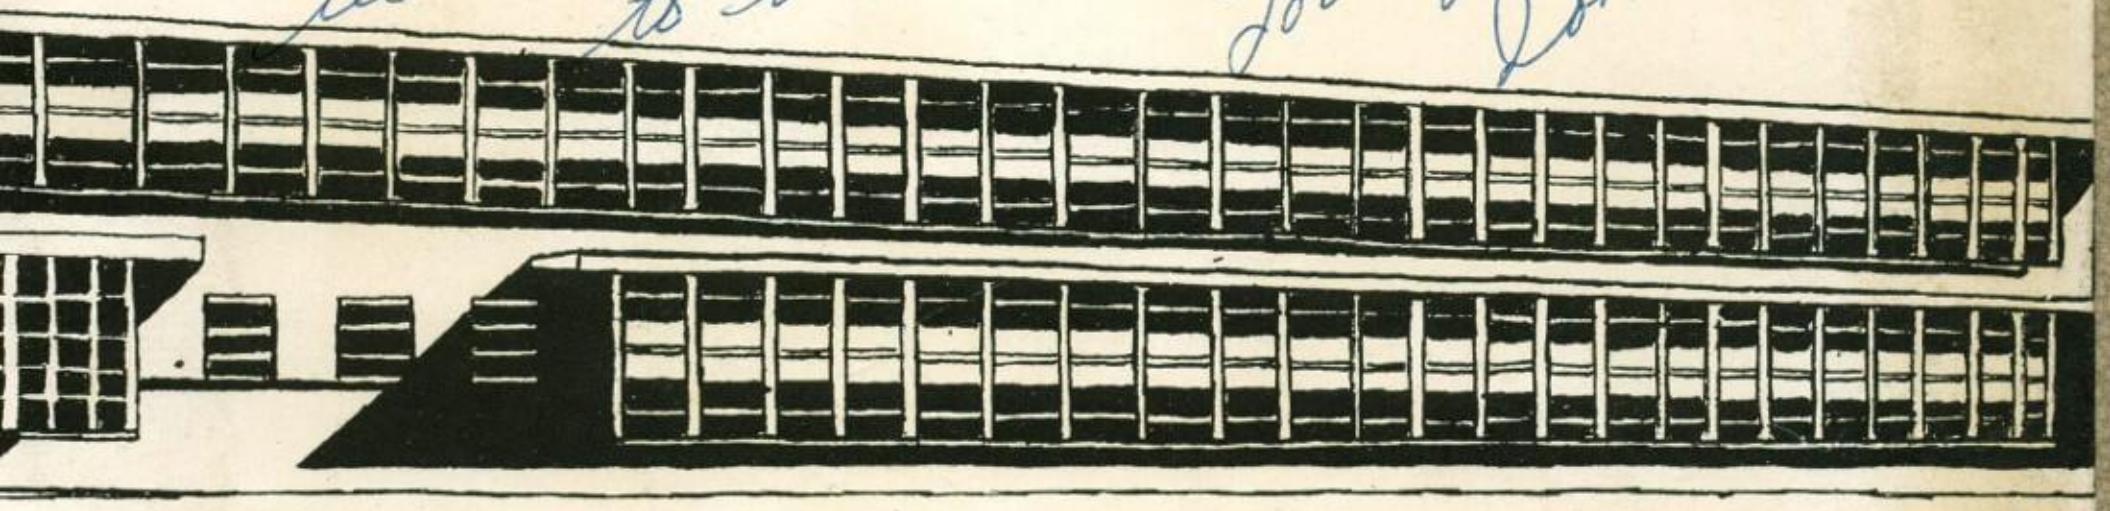
Never have I
had such a good
friend and teacher
in my life as you -
although I am graduating
this year I shall never
forget you - Now don't you worry
more - cause I'll be down for
next year - to help things along
a little. Oh me I just don't see
how things will function next year but
maybe they'll go along pretty smooth
since you're down here. I hope (I mean I
know) you will have fun this summer
I sure do hope that I will get to see you
Oh yeah - I'm gonna miss that cheerleading
too - how in the world am I going to stand
to come to the games and not yell - I think
I'll die - I hope you will have a good
squad next year and have half as much
fun as we've had. Be good - and
I mean it.

Love ya -
Julia

Nassar,
You have been a perfect
teacher in the years I have
had you. Only one class:
Gen. Business, Bus. Law.
Take care & Kind
Regards. This summer. Finis!!
Remember the Senior Class
Good Luck Forever.
Joyce

Nassar.
You have really been
a great friend. I will
always remember you as
such. Thanks for all
the helps and instructions.
They WERE greatly appreciated.
As ever,
Libby



Nassar,
I shall never
forget the teacher who
has also been my friend.
I know I shall never forget
all the good advice and guidance
you have given me. Always
remember the fun we have had
going to ball games, and the two State-
Championships. I really will miss all these
things, because they have played a great
part in my high school days. Keep the ball
rolling next year with the new cheerleaders.
I hope they will be as good as you made
us be. I shall never forget my favorite
teacher. Write to me when I go to D.C.
to work for J. Edgar.


Love Ya
Dot
